

## Set up your Just Giving page and raise money for the Butterfly Hospice.

Creating an online fundraising page for a registered charity on **JustGiving** takes just a few minutes. After a few quick steps you will be able to share your story on email and social media and will be able to start receiving donations for The Butterfly Hospice.

### There are some key things that you will want to think about before you begin:

- What do you want to use your online fundraising page to raise money for?
- What amount do you want to raise?
- Will you be raising money as part of an organized event like a marathon or will it be something that you are organising yourself?

With that sorted you can get started on your journey to raise money and change lives.

### Just follow the steps below to create your page for a charity:

1. [Log into your account and click 'Start Fundraising'](#).
2. When asked 'Are you fundraising for a registered charity?', select 'Yes, continue'.
