### Hospice Care and Family Support

Providing palliative care & holistic support to patients and their families

## About your Local Hospice

When you or someone you care about is seriously ill, you want to know how to get the best possible treatment. The Butterfly Hospice Trust provides 24 hour inpatient care for those who need it most.

We are dedicated to improving the quality of life for patients and families facing a life limiting illness by providing choice, care and support in a Hospice setting.

**Can YOU help us to raise funds so we can continue to provide care, free of charge for our patients?**

## The care and support we provide

**Our services are for people aged 18 and over, referred to us by a healthcare professional.**

The role of the hospice is to provide palliative care and holistic support to patients and their families, working in partnership with local health providers and the local community.

We aim to enrich people's quality of life by relieving symptoms such as pain, breathlessness and other distressing problems through the skills of our experienced and caring teams. Our patients come to us for respite, symptom control and for care at end of life.

Our care teams include doctors, nurses, therapists and spiritual support.

It is our aim to provide the best possible, personalised care for the duration of someone's stay.

**Our hospice provides 24 hour inpatient care for those who need it most.**

## Ways you can help us

**Could you help The Butterfly Hospice Trust?**

### LEAVING A BEQUEST IN YOUR WILL

Most of us would like to think that after our death, we leave something behind that will help or support our family, friends or community

A bequest to The Butterfly Hospice Trust means that your legacy lives on to help other people.

We would be happy to talk to you about how you can fundraise, volunteer or support the work of the Hospice.

### SUPPORTING OR TAKING PART IN OUR EVENTS

#### ORGANISING A FUNDRAISING EVENT

#### DONATING A GIFT, GOODS OR MAKING A DONATION IN MEMORY

#### SETTING UP OR JOINING A COMMUNITY SUPPORT GROUP IN YOUR LOCAL AREA

#### VOLUNTEERING IN OUR SHOPS, AT THE HOSPICE OR WITH THE FUNDRAISING BUREAU

We would be happy to talk with you about ways you can support the Hospice.
